- Provide program clients with information about housing and housing guidelines.
- Provide orientation for clients moving into supportive housing.
- Promote positive client choices about activities of daily living (cooking, cleaning, laundry) and support positive client choices by providing guidance and assistance where appropriate.
- Encourage personal hygiene when appropriate, including providing instruction to clients on how to use on-site laundry facilities.
- Encourage and support clients and provide information, emotional, organizational and practical support.
- Provides safe, friendly encouragement to clients; model communication skills, appropriate boundaries and healthy living choices.
- Assist clients in completing paperwork as required, including housing applications.

Cleaning and Maintenance

- Report any building maintenance issues
- Maintain a high standard of cleanliness, adhere to COVID safety protocols and ensure protocols are maintained.
- Clean and prepare pods for move-ins according to established room cleaning protocols.
- Re-stock facility supplies and notifies supervisor when purchases are necessary.
- Maintain security of the building by performing regular walk throughs to check that doors and windows are secure.

Safety and Security

- Observe and report any changes in client behavior.
- Investigate and manage disturbances according to VIMHS safety policies and procedures.
- Deal with client emergencies in accordance with VIMHS safety protocols, and report to supervisors and/ or authorities as required.
- Request unwelcome visitors exit the building and/or obtaining appropriate services to assist.
- Document all breaches of client policy and ensures appropriate parties are notified.

Monitoring/Evaluation/Record Keeping:

- Complete intake and discharge procedures.
- Record observations to keep staff informed.
- Maintain inventory and submit supply requisition as required.
- Maintain filing and paperwork.

Skills and Abilities

- Ability to develop rapport with marginalized individuals
- High level of empathy and compassion
- Knowledge of harm reduction approach
- Knowledge of mental health, substance use disorders, and homelessness
- Ability to work in a dynamic environment
- Physical ability to clean, climb stairs, and respond in crises

Education and Experience

- Minimum 6 months recent related experience and community support worker diploma, or equivalent education and training.
- Valid First Aid Certificate with CPR-C.
- Valid Food Safe Level One Certification.
- Naloxone Training.
- Crisis Intervention Skills Training (non-violent crisis intervention/ managing hostile interactions) an asset.
